You are invited to come and meet the UK's most highly-regarded marine artist

## DUNCAN MACGREGOR

Duncan will be making a series of personal appearance to launch a superb collection of previously unseen Original Paintings. He will also unveil "Moondance", an extravagantly sized, hand-embellished collectable edition inspired by his affection for the sea.

We hope you will be able to join us to raise a glass to some of the most exhilarating artwork on the contemporary scene.

Come along to your local Duncan MacGregor event and bring this invitation with you
