

Henderson's arresting interpretations breathe life into the elegant boulevards of Paris, the imposing facades of London, and the breathtaking crowds of New York City.

H. Cisz

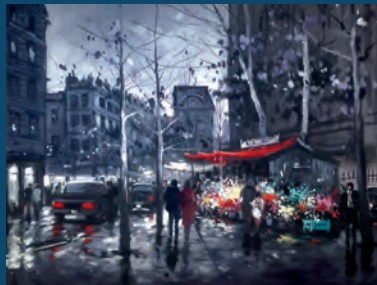

The high-impact images of Henderson Cisz have established his international reputation as one of the finest cityscape artists of his generation, and his 2011 Spring Collection represents some of his most exciting artwork to date. Officially named as Artist of the Year, Henderson captures the vibrancy and sheer pace of these famous streets in his stylish interpretations of life in the 21st century.

This event represents an opportunity for art lovers to come and meet a genuine star of the art world. Henderson's warmth and charm has made him a great favourite with art collectors and he is always delighted to pose for photographs or personalise your artwork.
