She has exhibited her stunning floral masterpieces to great acclaim all over the world, and a distinctive fusion of eastern and western artistry has led to her works being highly prized by collectors from both sides of the Pacific.

This event represents an opportunity for art lovers to come and meet a genuine star of the art world. Danielle's warm and charming personality has made her a great favourite with the public and she is always delighted to pose for photographs or personalise artwork for collectors.

Danielle's light and airy canvases portray exotic blooms in a vibrant, luminous palette. Yet despite the bold colours and impressionistic style there is never a sense of crowding, and they introduce an almost tangible sense of tranquility into any setting.
