Since she won a major award in 2010, Rebecca's whimsical paintings have been featured widely in the media, and demand for her work has turned her into one of the UK's most collectable artists.

This event represents an opportunity for art lovers to come and meet a genuine star of the art world. Rebecca's fun-loving personality has made her a great favourite with the public and she is always delighted to pose for photographs or personalise artwork for collectors.

*Rebecca Hardman*

"Life can be such a turbulent affair, and I see my work as a sanctuary, offering a welcome escape route from a demanding world. My paintings explore the calm participation in the day-to-day activities of coastal life, offering a tranquil reminder of the importance of continuity and community to all of us. Reinforcing these positive aspects of life gives me a more reassuring or even uplifting perspective."
